G-FEST XII - ALL MONSTERS ATTACK!

YOSHIMITSU BANNO - YOSHIKAZU ISHII
ROBERT SCOTT FIELD - CARL CRAIG

July 8 - 10, 2005, Crowne Plaza Chicago O'Hare

WELCOME!

When I tell people about G-FEST, I often compare it to a family reunion. True, there are undoubtedly many attendees who come and go on their own, but more and more, families are getting into the act, and returning on a regular basis. I've also found that, each year, many of the people who experience G-FEST for the first time will return, with friends or family in tow. And as friendships build, G-FEST becomes an event wherein relationships are strengthened to the point where seeing "the gang" becomes a powerful attraction in and of itself. This, I think, is the achievement of G-FEST which makes me happiest.

As always, this convention could not be held without the support of hard-working committee members and many dedicated volunteers. The palpable spirit of friendship, the shared enthusiasm for the genre, and the all-around "niceness" of most everyone involved give G-FEST an atmosphere few other conventions can boast of.

Though the central core of the weekend is our shared enjoyment of Godzilla, this year we'll be focusing as well on many of the other colorful kaiju that have made their mark in the Japanese monster genre. Many of them appear in our feature movie, *Godzilla: Final Wars*, a film that has stirred passionate debate among those who've seen it, and intense curiosity among those who haven't. No doubt Saturday night's screening will instigate many thoughtful informal discussions among the convention-goers, and provide grist for the GFW discussion session on Sunday morning. And if you find your passion becoming too inflamed, count to ten and remind yourself: "It's only a movie."

But certainly G-FEST is more than the movies screened. All the regular features are back, plus a few new ideas and events, so try to give yourself as varied an experience as possible. Attempt something new, like joining the video game tournament, or one of the role playing games. Take in a costume-creation session, or dip your toe into the world of model-building. There are plenty of experts and amateurs around to help you either get started, or perhaps refine the skills you've already begun to culture. Get some drawing tips from the artists in Artists Alley or some strategy tips from the video gamers. Drop in on Minya's Place to see all the younger G-fans in action. Your convention experience will be what you make it, and remember, we all have at least one fundamental interest in common: a certain, skyscraping, city-stomping, atomic fire-breathing giant monster named Godzilla.

On behalf of the organizing committee, I thank you for attending and supporting G-FEST. Make yourself at home, and have a great weekend!

Sincerely,

Editor & publisher, G-FAN

YOSHIKAZU ISHII

Ishii-san is joining G-FEST for the seventh time, after having missed last year's event to work as first assistant director of special effects on the last *Godzilla* movie, *Godzilla: Final Wars*. Starting out as a fan of the kaiju eiga genre, Ishii-san worked his way up through the ranks of Toho to become a feature director and producer of DVD releases of Toho's sci-fi and fantasy films. Working with Koichi Kawakita, Ishii-san has produced many *Godzilla* exhibitions in Japan. It is with great pleasure that we welcome back one of our own who has "made it" in kaiju eiga. For his accomplishments, Ishii-san will be awarded the coveted Mangled Skyscraper Award.

ROBERT SCOTT FIELD

"Scott" is well-known to G-FEST attendees, as he has graced the convention with his friendly and amazingly energetic presence (and translation skills) since 1999. A G-fan when growing up in the United States, he got to realize every *Godzilla*-lover's dream when he landed a major role in *Godzilla vs King Ghidorah*, as Android M-11.

Scott currently makes his home in Japan, where he keeps incredibly busy as an actor, teacher, author, motivational speaker, spokesman, and TV personality. This year, in addition to his unparalleled translation duties, he will be hosting a session on current events and cultural trends in Japan.

CARL CRAIG

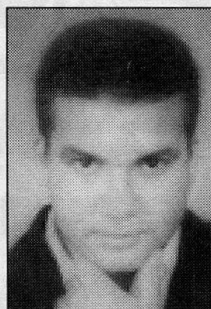

The son of a U.S. serviceman married to a Japanese woman, Carl Craig landed the role of boy scout Jim Morgan in *Gamera vs Viras* thanks to the late Noriaki Yuasa's desire to include children as main cast members. Using a "foreign" child was intended to boost the film's appeal overseas, but Carl's ability to take direction in Japanese (he was fluent at the time) gave him an advantage over other aspirants to the role.

Despite having a distinguished career in government service, Carl enjoys meeting fans of kaiju eiga, and this marks his second G-FEST. He will give a special tribute presentation in memory of Noriaki Yuasa.

ROBERT CONTE

Robert's first professional association with *Godzilla* was as an editor of the *Dark Horse* comic series. Since then, he has been involved with the Big G in a number of ways, and he will discuss some of the projects he's undertaken, as well as the people he's dealt with such as the late Hank Saperstein. G-FEST XII marks Robert's second con appearance.

SPECIAL GUESTS

YOSHIMITSU BANNO

One of the most controversial *Godzilla* films prior to *Godzilla: Final Wars* was *Godzilla vs the Smog Monster*, a movie that broke a great deal of new ground in the kaiju eiga genre. Its director and

HISTORY OF G-FEST

In 1993, western fans of Godzilla and other Japanese monsters discovered a rallying point for their hobby in a new fanzine, called G-FAN. Created by Canadian high school teacher and long-time Godzilla fanatic J.D. Lees, the bimonthly 'zine gained popularity, and finally "went national" with issue #9. By the summer of 1994, many of the people who had come on board by submitting articles and art to G-FAN decided it was time to meet face to face. A "Friends of G-FAN" meeting was organized for the Labor Day weekend at a Howard Johnson's outside Chicago, and attended by about twenty. Though they had never met one another before, the sharing of experiences, Godzilla memories, and collectibles created an instant rapport. Such a good time was had that a full-fledged convention was suggested for the summer of 1995. The meeting took place in the Radisson Hotel Arlington Heights, and was repeated in 1996, and at the Wyndham Hotel in '97, and '98. In 1999 and 2000, G-FEST moved to California, then returned to the Radisson in 2001. Outgrowing the hotel, the convention moved "down the street" in 2004, to the Crowne Plaza.

A highlight of G-FEST is the Modeling Thread, organized and staged by Stan G. Hyde. Modeling instruction has become a stand-alone, two-day event, and the Model Contest is always a focal point of interest, thanks to Stan's personal commitment to seeing both succeed. Other contests have also been a mainstay over the years. The Costume Parade has always been popular, and has gained ground in recent years, flourishing under the enthusiastic guidance of Dawn McKechnie. The amateur video contest, too, is always a great crowd pleaser. The art show, gaming, and video gaming are also growing, and this year, the space devoted to each has been increased.

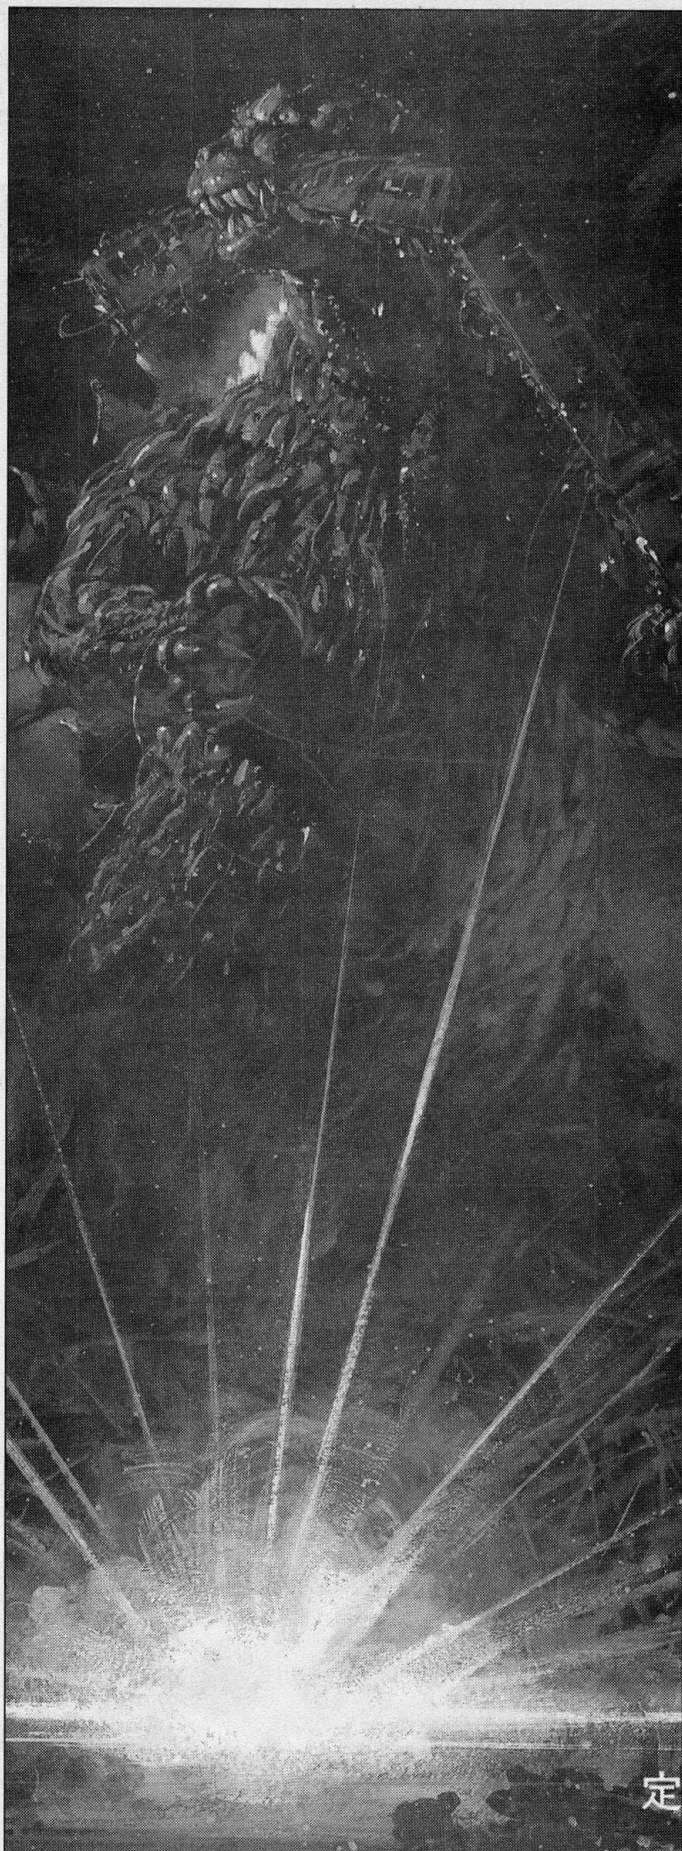

Since 1996, special guests have played an increasing role in G-FEST. American fans get the chance to meet and express appreciation to the creators of their favorite films. G-FEST 2000 culminated in an unprecedented number of guests.

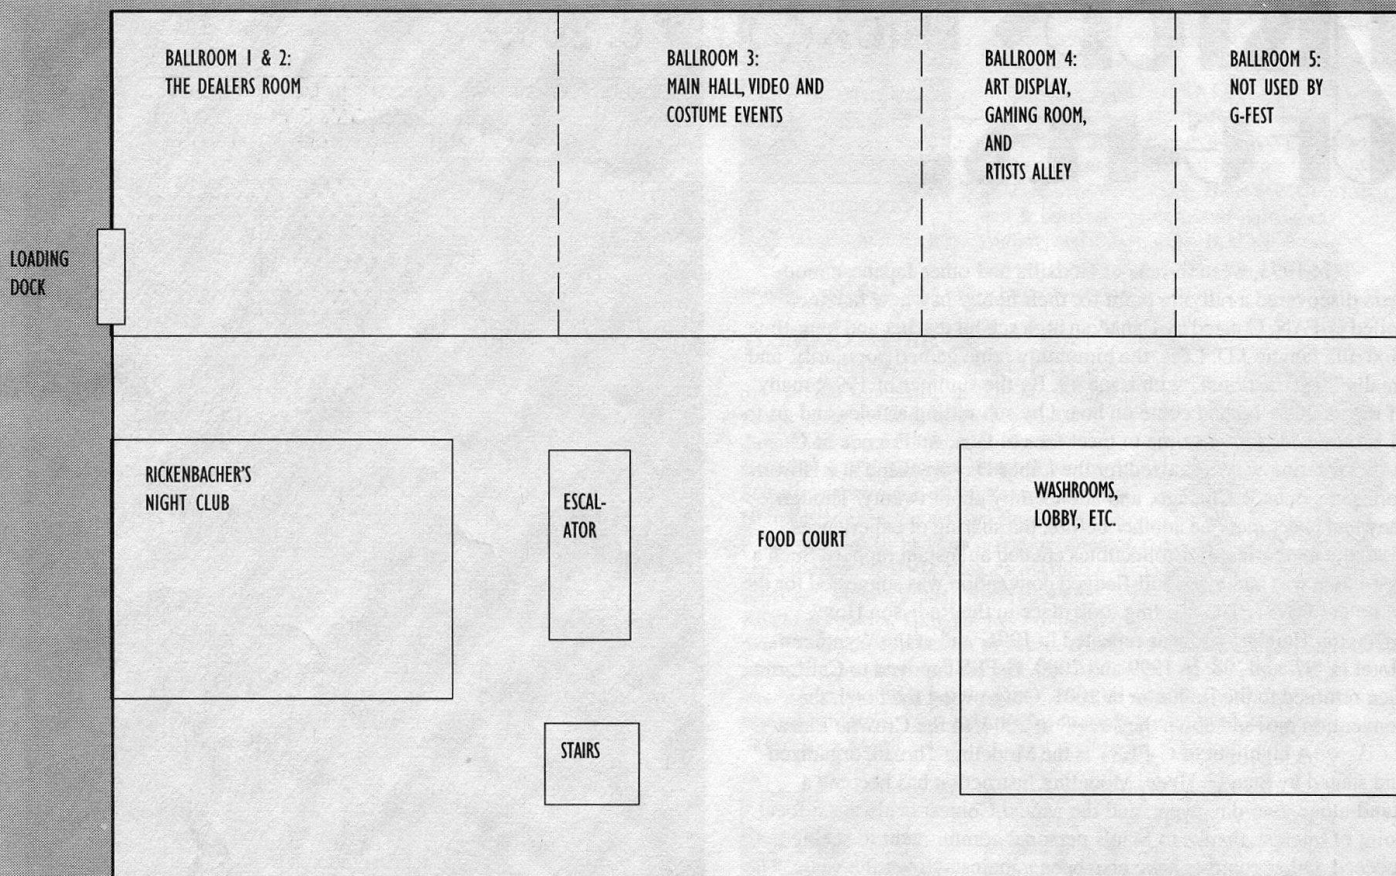

In recognition of special contributions individuals make to the production and/or promotion of the Japanese monster genre, 1999 saw the introduction of The Mangled Skyscraper Award. Every award is created by Gene Rizzarda (head of the model-making crew on *Godzilla*) based on an idea by Stan Hyde and a design by J.D. Lees. Each year, the Mangled Skyscraper is presented at a special ceremony. Past recipients are Forrest J Ackerman ('99), Koichi Kawakita ('00), and Greg Shoemaker ('01), Stan Hyde ('02), Gamera creator and director Noriaki Yuasa ('03), and Godzilla spfx chief Teruyoshi Nakano ('04).

One of the hallmarks of G-FEST has always been its friendly and relaxed atmosphere. It is truly a convention staged by fans, for fans. Though Godzilla's admirers are many, we are scattered widely, and often find it difficult to connect with others who share our passion. G-FEST offers the opportunity to enter a world (for a weekend) where everyone loves Godzilla, listens to The Peanuts, and knows "Akira Ifukube" isn't the name of a seafood dish. Make the most of the experience, you're among friends!

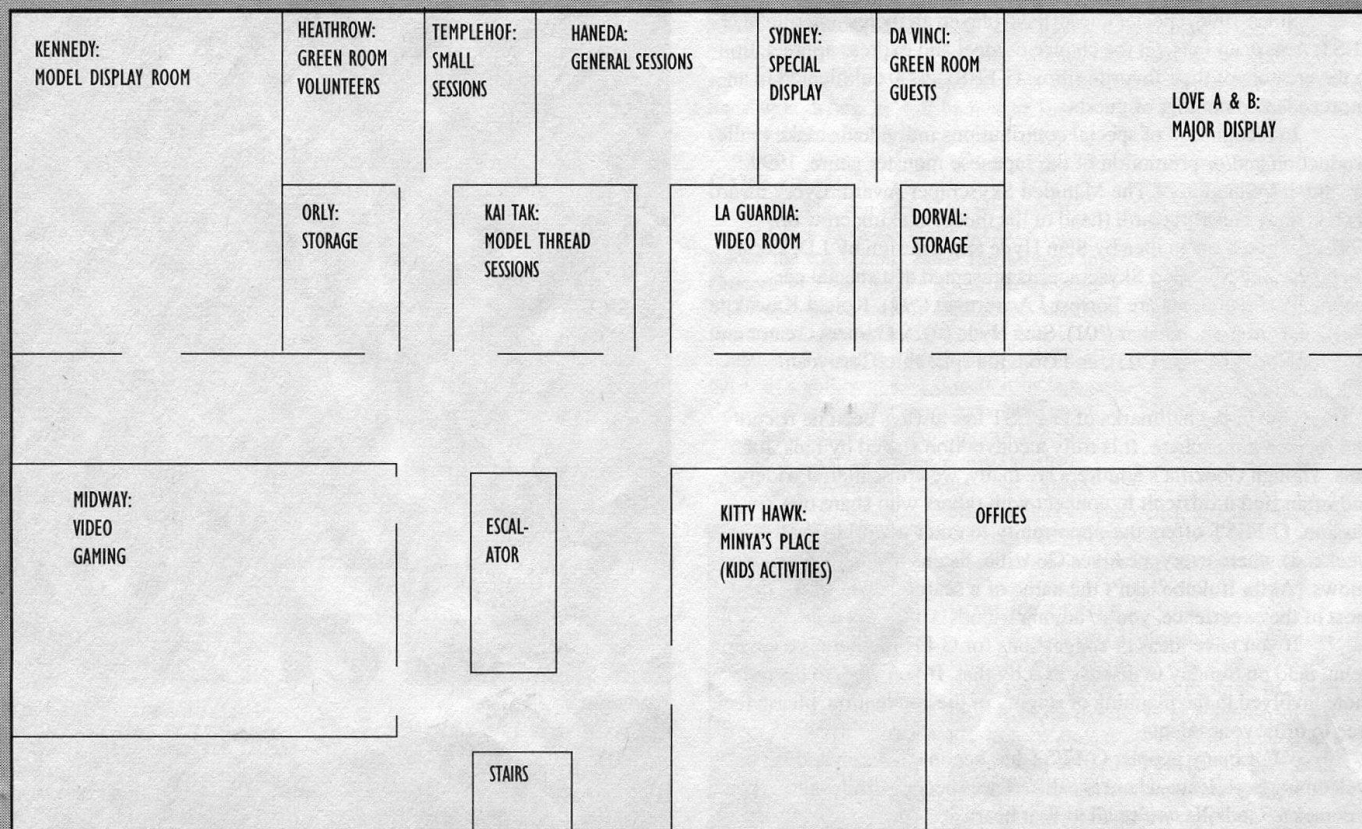

If you have ideas or suggestions for G-FEST, there is a session being held on Sunday to discuss exactly that. If you wish to become more involved in the planning or staging of the convention, please feel free to offer your talents.

For many people, G-FEST has become a warm and welcoming experience where age differences become irrelevant. When it comes to Godzilla, we're all kids at heart.

ART CONTEST

If you have art for display, take it to the Art Room (Ballroom 4), where it will be put on display. Make sure you indicate whether it belongs in the adult category, or the 14 and under category. Our art experts will judge the work on Saturday night, and ribbons will have magically appeared on the winners by Sunday morning. You may retrieve up your art on Sunday afternoon, or if you want to leave it, it may end up in a future issue of G-FAN.

COSTUME CONTEST

Please feel free to wear your costume around the convention all weekend (if you can stand to). It will help to build up a festive atmosphere. The actual costume parade will run on Saturday night (at 6:00 PM) in Ballroom C. Dawn McKechnie will meet all costume contest participants in the Ballroom following her costuming session at 6:30 PM on Friday, for sign in, and an explanation of how the contest will be staged. **Please don't miss this meeting.** Prizes kindly donated by American Greetings.

KAIJU CALL CONTEST

This contest is popular with kids, so has been moved to 12:30 Saturday in Minya's place. Adults please feel free to drop in and mimic your favorite monsters.

A relatively new contest, but catching on at G-FEST, "auteurs" have submitted a kaiju compilations set to their favorite tunes. Videos have been pre-judged. Screening will take place in Ballroom 3 at 5:00 PM on Saturday, combined with the amateur video entries.

MODEL CONTEST

Models will be displayed in the Model Display Room (Kennedy). Starting Saturday morning, take your model there, sign it in, and get a ticket to reclaim it. You'll need to produce that ticket in order to remove your model from the room.

Judging will be on Saturday night, with ribbons appearing on Sunday morning, and prize winners announced at the Awards Lunch. You may remove your model Sunday afternoon. Prizes in several categories have been generously donated by John Tucky of X-O Facto. Thanks to John Weber for organizing and running the contest.

TRIVIA CONTEST

Every pre-registrant will have a trivia contest in their registration package. Walk-in attendees will also be given a trivia test sheet while supplies last. Deposit your completed test into the Trivia Contest box at the registration desk by 5:00 PM on Saturday. The winners will be posted, prizes are a year's subscription to G-FAN. The trivia test is created by George Taylor.

VIDEO CONTEST

Videos will be screened on Saturday night at 5:00 PM in Ballroom C, prior to the costume parade. The videos will have been pre-judged by a panel of "experts," and will be presented in a pre-determined order. Cash prizes for the video contest have been grudgingly donated by Daikaiju Enterprises Ltd.

MOVIES

G-FEST has a history of bringing to western G-fans films they otherwise wouldn't have a chance to see on the big screen. In 1999, *Gamera 3* premiered at G-FEST in the newly renovated Egyptian Theatre in Los Angeles. In 2000, G-FEST brought a new, subtitled print of *Godzilla* ('54) to the big screen, as well as *Godzilla vs Destoroyah*, *Son of Godzilla*, and *Rebirth of Mothra 3*.

In 2002, fans in Chicago thrilled to the big screen premiere of *Godzilla x Megaguirus*. *Godzilla vs Destroyah* and *Gamera 2: Attack of Legion* were also screened for the first time in the Chicago area. Last year featured *Tokyo S.O.S.*, *Monster Zero*, and *Terror of Mechagodzilla*.

Again this year, the movies will be shown at the Pickwick Theater, 5 South Prospect, Park Ridge, IL, 60068. *The H-MAN* is at 2:00 PM on Friday afternoon, *Godzilla vs Hedorah* is at 10:00 PM on Friday, and *Godzilla: Final Wars* will be screened at 10:00 PM on Saturday night.

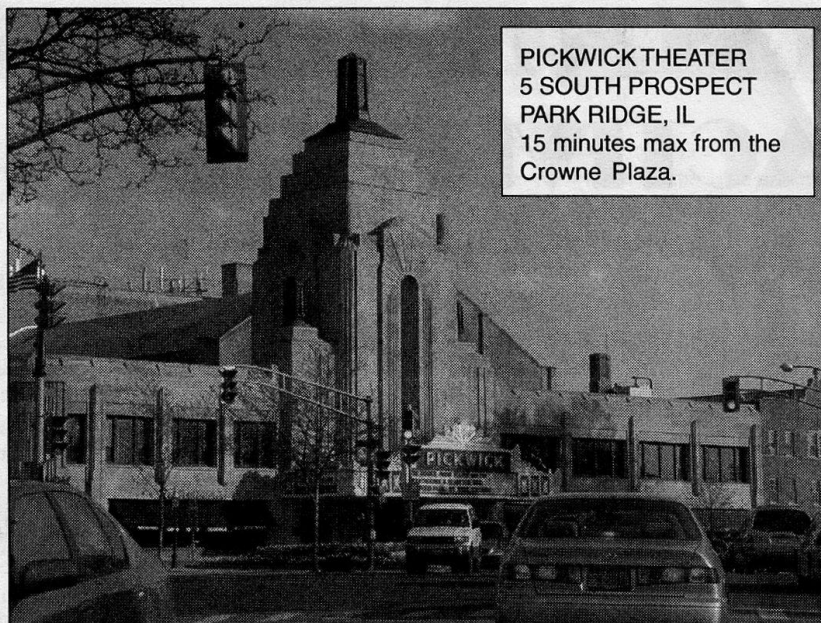

Tickets (\$6) will be sold at the theater box office. Reaching the theater is the responsibility of each ticket holder. G-FEST attendees can help one another by organizing in one of the following manners:

- Those who are driving to the theater should pull up in front of the hotel for a few minutes before they leave, and offer a ride to those who don't have transportation.
- Use the G-FEST message board to secure a ride to the theaters in advance of the show.
- Group together and hire a taxi. Split four ways, it will be super cheap, and you can almost certainly snag a ride back with a fellow G-FAN.

The same methods have been used for the past four years, and there wasn't a single reported problem of a person not being able to obtain transportation. Bus transportation will also be offered if demand warrants.

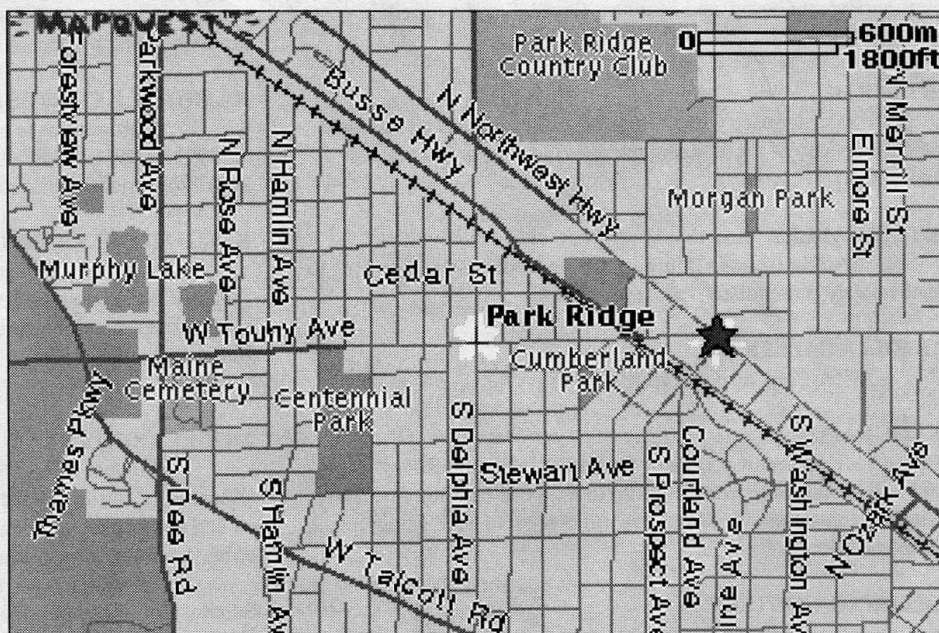

The following are directions for travelling to the Pickwick Theater from the Holiday Inn O'Hare International:

Leave the hotel and go north on North River Road. It becomes Des Plaines River Road, then South River Road. (Just stay on River Rd.) You will be driving along a forest preserve on your left, and after passing Axehead Lake, you come to Touhy. Turn right. After passing through the forest preserve and then about 20 city blocks, you will drive under railroad tracks. Be on the lookout because the Pickwick is coming up very soon. It is on the right side of the street, just off the corner

PICKWICK THEATER
5 SOUTH PROSPECT
PARK RIDGE, IL
15 minutes max from the
Crowne Plaza.

ED GODZISZEWSKI FOR G-FEST

at a 6-way intersection/stoplight (Northwest Highway and Prospect Ave. are the other cross streets). You need to turn right at the intersection and the theater will be right there, then it is every man for himself for parking. DO NOT PARK IN THE STRIP MALL PARKING LOT, or you will be towed. There is a metered parking lot almost right across the street which is free after hours (for the Friday and Saturday night showings).

Driving time from the hotel should be 15 minutes max. Tickets for the movies will be available at the theater box office.

VIDEO

The G-FEST Video Room (in the La Guardia Room) will be offering a delectable assortment of Japanese TV tokusatsu, both vintage and new. The program has been assembled by Lenell Bridges of Shoowat Productions, and includes not only an incredible sampling of Japanese live action sci-fi, but a little bit of anime too!

Videos will run from noon to after midnight on Friday, 10:00 AM to after midnight on Saturday, and 11:00 AM to 5:00 PM on Sunday. The show schedule follows; you may want to mark the times of interesting shows on your program so you don't accidentally miss them.

G-FANS

HELPING

G-FANS

G-FEST includes a program to raise funds for children battling autism. Proper treatment is horribly expensive, and for that reason, our help is needed.

This year at G-FEST, David Nunes will be continuing our fundraising drive entitled G-fans For Special Kids. Many G-fans have donated items which will be sold during the convention by silent auction. The items will be on view at the G-fans For Special Kids table in the dealers room.

David will also be selling raffle tickets on Friday by the registration desk. Ten winners of the raffle will get an exclusive chance to shop in the dealers room for half an hour before everyone else is admitted.

I hope everyone can see his or her way to assisting in this effort. Two thirds of the money raised will go to children with autism, and the remaining third will be turned over to a facility called The St. Amant Center, which cares for severely disabled children. Please make a small contribution this weekend. - J.D. Lees

WHAT THE HECK IS A SILENT AUCTION?

To raise money for our charitable fund, a variety of donated items will be on display, accompanied by a signature sheet. You can write your bid on the item, along with your name. When the time posted for the auction runs out, the highest bid wins the item. The table displaying the items for auction will be located in the dealers room.

SPECIAL DISPLAY ROOM

In addition to the Godzilla Gallery in the Love Room, this year's G-FEST also features a special display in the Sydney Room called World of Toho's SFX Art Department (1954-1984). This display of copies of rare artwork opens a window into the process of design for some of Toho's greatest films.

The display has been conceived and arranged by Ed Godziszewski. Invaluable assistance in securing the material has been provided by Mr. Oki Miyano, an experienced model maker formerly employed at Hiruma Model Craft in Japan.

Special thanks is also given to Mr. Yasuyuki Inoue for providing the original artwork from which the copies were made.

Please make sure to set aside some time this weekend to visit this display in the Sydney Room. It is an exhibit of artwork that very few people have seen.
